Dear Mr. Ryan:

This letter is in response to our telephone conversation on July 12, 1996 in which you asked for clarification on our "April 15 Quarterly Report" of 1996, as follows:

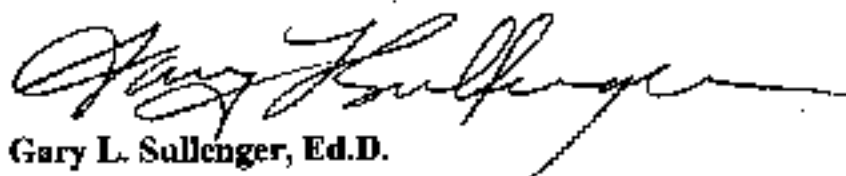

1. In regards to an explanation of the "GM Gold Card" payments. You indicated that it was necessary to identify who the payments were to.
2. In regards to entries under "Purpose of Disbursement" of the "Itemized Disbursements" detail where it was identified as being for advertising. You requested that I provide clarification as to whether the advertising was for any particular candidate.

Responses are as follows:

1. Attachment A provides a entry by entry response to the request for identifying who the "GM Gold Card" payment was for. In addition to responding to your request for this information for the April 15, 1996 Quarterly report, I have done the same for the July 15, 1996 Quarterly Report since I realize I have provided the information in the same manner for which you have requested further clarification.
2. All entries in which "advertising" was identified as the "Purpose of Disbursement" was for generic advertising only. These were instances where the 9TH District Democratic Committee took out ads in the fundraising booklets or newsletters of various charity and other types of organizations. These ads were published on behalf of the "9TH District Democratic Committee" and not any particular candidate.

Although I am no longer the Treasurer (as noted in communication earlier sent to your attention), I have responded to your verbal questions since I was the one who completed the report in question. In addition I will make sure that a copy of this letter is provided to the new treasurer in order that he doesn't make the same mistake I did.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gary L. Sullenger".

Gary L. Sullenger, Ed.D.
